At the Lodge Meeting on October 28, 1968, I asked for reporters for the newspaper. I had eight people signed up as reporters. This I told Hansen, Chrysler and Hensley District without any reporter. Thinking that this could be taken care of very easily, I started planning various sections for each reporter. The deadline was November 21 and was mentioned at least three times during the Lodge Meeting.

Dear Brothers:

At the Lodge Meeting on October 28, 1962, I asked for reporters for the newspaper. I had eight people signed up as reporters. This left Bomazeen Chapter and Rangeley District without any reporter. Thinking that this could be taken care of very easily, I started planning various sections for each reporter. The deadline was November 21 and was mentioned at least three times during the Lodge Meeting.

Now, November 21, 1962 has gone by and I find that I now only have four reporters out of ten. Will you please tell me how a person can send out a good newspaper with only four reporters. The four reporters are: Bruce Fleming, Jay Gailey, Dean Zaharis and James Cook. What happened to the rest of you???

If you have decided that you don't want a newspaper, please let me know. If you still would like to have one, then please make sure that you have a reporter if you haven't already. Those of you who are reporters, let's get on the stick and report! If there are any new reporters, please let me know. My address is 24 Hartley Street, Portland. Phone SP 3-7648. The next deadline is March 18.

"MERRY CHRISTMAS AND  
NEW YEAR TO ALL!"

Dear Brothers:

My Dear Brothers:

First of all, I would like to express my sincere thanks to all of you for electing me your new Lodge Chief.

We have a busy year ahead of us. Here are some of the important activities at this time. Every District is holding meetings at least once a month. If you have not attended any of these, I suggest that you do so, for you are probably missing out on a great deal of fun.

Hinds and Bomazeen Chapters are planning to hold Chapter Banquets. The Hinds Chapter Banquet is on December 16, 1962. A notice has been sent out to all Hinds members regarding this. Bomazeen is planning to hold their Banquet in March. A notice will be sent to all Bomazeen members about details in the future.

The Lodge is holding its' Election Training Program on March 1 and 2. We ask that all members and District Advisors make plans now to attend this Training Program. The election Training Chairman is Walter Hayes.

It also was decided and voted upon at the last Lodge Meeting to have a Lodge O. A. Camporee. This would be for three days and will be held around the last week in April. Plans of activities have not been fully decided upon at this time. A notice will definitely be in your hands by the first of April.

Of course there are many other activities which will be going on simultaneously. Be sure to check into these. For example, Fun Weekends, Work Weekends, Chapter Meetings, District Activities and many others.

I'm very disappointed to find that there are a great number of Districts and one Chapter who have not sent any reports to the editor for the newspaper. If you find that you belong to a District or Chapter and you haven't any news in the paper, make it your duty to see that your group is represented in the next issue of "Turtle Soup".

As you have seen, we do have a big year ahead of us. I hope that you realize that the difference between having a successful year and a bad year lies in your hands. The officers can only suggest, plan and attend these meetings but the whole outcome is determined by your support.

Therefore, I ask your help to make this one of the best years that Madockawanda Lodge has ever had. Let's also remember that we belong to an honor society and let's show people how proud we are in being a member of this group and give our full support.

4 VERY MERRY CHRISTMAS AND  
NEW YEAR TO ALL!

Yours in Brotherhood,  
Jay Gailey

"CHAPTER CHATTER"

My Dear Brothers:

It is with deepest regret that I have to leave you for a while. Everything was so sudden that I didn't have a chance to thank anyone for the support I received while I was serving as an officer. I wish I had had the chance to thank each of you personally. Some day I hope to be back and do this.

I feel sad in leaving you; yet, I must be honest. I am looking forward to this new experience. A lot of people have the impression that I am a member of the Peace Corps - this is not true. I am a trainee for the Peace Corps. There is a difference, I have six months of training before I am accepted.

I would like to thank all the people who worked closest to me, my officers and advisors. Well, so long for a while, see you around sometime. Good luck and continued success to all.

Yours in Brotherhood,  
Peter Curran.

Hinds Chapter has been very active during the last year and plans to be just as active this year. This summer during camp we held four Ordeal Ceremonies and three Brotherhood Ceremonies. We inducted about 85 new Ordeal members and about 20 Brotherhood members. Chief Peter Curran said that congratulations should be extended to Vice-Chief Royden Leighton for his fine, smooth-running and well-organized Ordeal ceremonies and to Vice-Chief Dick Gagnon for his outstanding Brotherhood ceremonies.

Hinds Chapter held two work weekends, one before camp opened and one after it closed. There was a very good turn out at both and they were both very successful. Ordeal and Brotherhood ceremonies were held at this time with about 15 new Ordeal members and 5 Brotherhood members. We had a total of about 100 new Ordeal members and 25 new Brotherhood members this year.

This year Pete wanted to try something, so he held a fun weekend; Pete said that he thought it was a great success. We are now planning a winter carnival this February.

Unfortunately, our Chief Peter Curran had to leave us and go to California for training for the Peace Corps. However, we were fortunate in having Vice-Chief Royden Leighton become our new Chapter Chief.

We are having our annual Father-Son Banquet this December 16, 1962 at the South Portland High School Cafeteria. Royden told me to tell you that he hopes to see every Hinds Chapter Member at the Banquet and that he hoped everyone is working on their Indian costumes and that they are learning new dances for the Lodge Camporee this spring.

BOMAZEEN LODGE

This year I was privileged enough to be a member of the most active, efficient and Scouting-like Hinds Chapter that I have ever seen. All through the summer camp season, we were rained with compliments for our ceremonies and service. All through the year, I watched brotherhood and friendship rapidly grow. It was a year of spirit and confidence.

Why all this? Much of it can be attributed to our wonderful officers who have sacrificed so much of their time and effort to serve Hinds Chapter so well. Then, too, under our new system there were 5 officers instead of 3. Instead of a Chapter Chief, Vice Chief and a Secretary and Treasurer, we were graced with a Chapter Chief, a Vice Chief in charge of Ordeals, a Vice Chief in charge of Brotherhoods, a Secretary and a Treasurer. By this system, we lightened the load on every officer; and so we have more jobs getting done better and faster.

Our activities also were saturated with this new spirit. At Camp, we found plenty of willing, hard-working "volunteers" to make our ceremonies and projects the best yet. We inaugurated the rollicking, frolicking Fun weekend. Then, of course, we had our times to work and meet; but even there we found plenty of time for fun. We have our Annual Banquet coming up and a winter carnival planned. We've got a great, active Chapter!

But, with all these gains, we suffered a great loss. For Peter Curran, a man who has given so much to Hinds and the Order of the Arrow has left us for nobler work in the Peace Corps. He is a great person and one whom I hope shall not soon be forgotten.

I think Hinds has proved itself a progressive, hard-working Chapter and I know that every active member will agree with me. It has indeed been, "A Great Year for Hinds Chapter".

Yours in Brotherhood,  
Bruce Fleming

Bomazeen Chapter has been quite busy this past summer. We have had four Ordeal ceremonies and 3 Brotherhood ceremonies. We are looking forward to a very active new year; one in which we can strengthen our friendship through Brotherhood. We have in the planning at this time a Bomazeen Chapter Banquet which will take place sometime in March. We have been stressing the need of District Meetings. At this time, every District in the Bomazeen area has held at least one District Meeting. We have various other programs which will take place during the course of the year; so, when you are called upon to take part in these activities, give it your full support and make Bomazeen one of the most active Chapters in the Madockawanda Lodge. MERRY CHRISTMAS AND A HAPPY NEW YEAR.

Yours in Brotherhood,  
Your Bomazeen Reporter

## DISTRICT REPORTS

### CASCO BAY

The Casco Bay District Members have been holding monthly meetings. Much interest is being shown in the perfection of Indian Dance Steps and the making of costumes. If there are any members who are not attending these meetings they are missing out of the great privileges of belonging to the Order of the Arrow. The next meeting will be held at the Council Service Center, Sunday, December 9 from 2 - 4 p.m. Attend if you can.

Jimmie Cook

### SEBAGO

On November 18, 1962, Sebago District held a district meeting and it was the best attended meeting we have had in the last three years. This meeting was held at Gray, Maine. Sebago District aims to be well-represented at the Hinds Chapter Father-Son Banquet this December. We are now in the process of organizing a dance team for the Lodge Camporee this spring.
