Give your young people the  
adventure they deserve!

**Sea Kayaking** - Sunday and Monday will be devoted to paddling strokes and special equipment usage. Rescue skills and kayak loading will also be covered. Participants will travel to the Maine coast on Tuesday morning where they will launch at the mouth of the Kennebec River. The group will explore the coastal environment from our island base. Friday, the group will return to camp for clean-up and closing celebration.

The evening will be devoted to learning bike maintenance and viewing technique videos. Monday, the group will be transported to a nearby riding area where they will hone their riding and map skills. The next few days will be based out of a remote campsite where the rides will be determined by the skills and enthusiasm of the group.

**Rock Climbing** - Sunday night and Monday morning will be spent in "ground school", learning the skills necessary to become a safe rock climber. Monday, the group will be transported to a remote climbing site that will challenge their skills. There will be both climbing and rappelling and the participants will learn skills so they can be an asset to their troop's climbing program. The Rock Climbing merit badge will be offered.

**Wilderness Canoe Expeditions** - Participants will arrive at camp on Sunday afternoon and begin preparing for their expedition with swim checks and itinerary planning. The group will go out on Great Pond for a practice paddle to tune up their boat handling skills. Sunday evening will be spent in final packing. # Guide to Boy Scout Camping

## Ways to Attend Camp

### TROOP CAMPING

Most Scout Troops go to summer camp with their own leadership. This is the best way for Scouts to attend summer camp.

### PROVISIONAL CAMPING

A provisional camper is a Boy Scout who goes to summer camp as an individual without his troop. In this case, leadership is provided by the Pine Tree Council's camp staff.

## Medical Supervision

Medical supervision at camp is under the direction of a licensed physician. A resident health officer is on duty at all times to handle minor injuries. If the injury or illness is serious, the person is brought to a local health care facility. The camps have agreements with local health care facilities for such emergencies. Any dietary or health restrictions must be reported to the camp office one week prior to arrival at camp.

## Refund Policy

Individuals or groups that cancel a program reservation 30 day prior to the date of the event will receive a refund of fees paid less 15% administrative charge. No refunds will be made after the 30 day cancellation period.

## Handicapped Information

If you have any needs that require special attention, auxiliary aids or any reasonable accommodations, please let us know at least two weeks prior to arrival at camp.

## Medical Forms

All Scouts attending camp must have a completed BSA medical form signed by a licensed physician within 36 months of his arrival at camp. The Health History section must be updated and signed every year. All leaders over 40 years old must have a completed BSA Class 3 medical form signed by a licensed physician within 12 months of their arrival at camp.

It is a regulation of the Boy Scouts of America that anyone who does not have a completed and signed medical form at check-in time on the first day of camp will not be allowed to remain in camp. No exceptions will be made.

Medical forms are in the Pine Tree Council's 1998-99 Planning Calendar on pages 34 to 37. Copies can be made at your discretion.

## Trading Post

Each of our Boy Scout Camps has a Trading Post which is like a general store.

The Trading Posts offer handicraft items, candy, souvenirs, soda, stamps, T-shirts, patches, etc. The amount of money each Scout brings is an individual matter and should be determined by the Scout and his parents.

# Webelos Resident Camp

Webelos Resident Camp is a week long overnight camping experience from Sunday afternoon to Friday evening and is held at Camp Bomazeen in Belgrade. Boys entering the fourth or fifth grade in September are eligible to attend.

Our program is constantly updated to provide a dynamite camping experience for our Webelos. Scouts can register for this camp individually, which is referred to as provisional camping, or with their Webelos Den. Boys from the same pack stay together in the same campsite. At camp the Scouts sleep in our platform tents on cots with mattresses. All meals are served from our dining hall.

The theme for this summer's Webelos Resident Camp is Safari Adventures and many of our special program areas will feature this theme. At camp, the Scouts have daily activities relating to different Webelos Activity Badges that can be earned.

Some of the daily events are: Canoeing, rowing, nature, crafts, Scoutcraft, BB range, archery, sports, ecology, swimming, Swamp Romp, and evening campfires.

# Funpack Weekends

There is no better way to enjoy the outdoor program of Cub Scouting than to attend one of our popular Funpack Weekends. Each weekend offers a great opportunity to experience the excitement of overnight camping with your son.

### A GREAT PACK ACTIVITY!

Our purpose for the Funpack Weekend is to provide an environment to strengthen the family relationship and introduce you to the fun and adventure of camping. Most Cub Scout Packs choose a particular weekend or weekends to attend and register together as a pack.

Cub Scouts and their parent or guardian can camp at one of the Pine Tree Council's four camping properties. At Camp Hinds and Camp Bomazeen you will sleep in our platform tents on a cot with mattress. At Camp Nutter and Camp Gustin you will experience a more wilderness camping experience by providing your own camping equipment and stay in smaller tent sites. The pack is responsible for food and cooking at all Funpack Weekends; however, most packs find that this can be a very fun activity in itself.

**During the day you can experience these exciting activities:** swimming, crafts, archery, BB range, sports, boating (where available), nature hikes, and games.

The Funpack Weekend fee is \$18 per person.
