

The Pine Tree Council Invites You to Participate an evening with Maine Red Claws

Last season, the Maine Red Claws were the hottest ticket in town as they kicked off their first season in Maine and this year the Boy Scouts are teaming up with the team for two exciting nights! We will be partnering up with the Red Claws for the January 6th and February 11th games. As part of this occasion, when you purchase tickets you will be entered into an opportunity to be a part of the game! One lucky Unit will be chosen to be the color guard for both of the games. Also, we will be choosing 15 scouts to be a part of the High 5 Tunnel on the floor for the January 6th game and one lucky scout will be chosen to be an honorary ballboy for the February 11th game.

To purchase individual tickets, you can click the link below which will take you to the Red Claws Online ticketing and will open up a special Boy Scout tickets for the game. From there you can pick out your seats and print them right at home. Also, if you would like to organize a block of 10 or more tickets for your pack or troop, please contact Dennis Meehan at the Red Claws at dmeehan@maineredclaws.com or calling 210-6655. Supplies are limited so please purchase your tickets or contact Dennis to be a part of the action!
