

## FunPack Weekends

There is no better way to enjoy the outdoor program of Cub Scouting than to attend one of our popular FunPack Weekends. Each weekend offers a great opportunity to experience the excitement of overnight camping with your son.

### 2012 FunPack Theme

*Our Theme for FunPacks will be "Wild West Adventures"!!! Our FunPack Weekend buckaroos will join with other young whippersnappers and explore the hidden valleys full of gold and wild adventures with lots of fun activities along with the chance to explore the great outdoors, learn new skills and enjoy being a kid! Our Saturday evening campfire will be a fun-filled Hoe Down for all of our buckaroos so bring your wild west' costumes and join the staff for lots of fun!*

### A GREAT PACK ACTIVITY!

Our purpose for the FunPack Weekend is to provide an environment to strengthen the parent/son relationship and introduce you to the fun and adventure of camping. Most Cub Scout Packs choose a particular weekend or weekends to attend and register together as a pack. Use this activity to qualify for the Summertime Pack Award or the Cub Scout Outdoor Activity Award!

**Sorry, but due to space restrictions, siblings are not allowed at FunPacks!**

Camp will provide the campsites with tents and cots along with a great program! The pack is responsible for food and cooking at all FunPack Weekends. Most packs find that this can be a very fun activity in itself. During the day, you will experience exciting activities! Enjoy your time at the Craftshop, BB & archery ranges, swimming, sports, nature hikes and games! As evening comes wind down with a quiet campfire and enjoy the fellowship of your pack in your site. Marshmallows and s'mores are a must!

**A FPW Leaders Guide will be mailed to the FPW leader once registered and is available online! The guide gives information on arrival times, what to bring, health forms, daily schedule and directions to camp!**

**General Information for FunPack Weekends**  
**Remember - Space is limited! This popular program fills fast!**

**How to sign up:** Most Cub Scout Packs choose a particular weekend to attend and register together as a pack under the person designated as the FunPack Weekend Coordinator. Choose a date and let all of your families know as early as possible with a deadline for when to get their money into the Pack to reserve their spot as space allows. *Once the majority of families have decided to attend, send in your Pack reservation with the money due to Pine Tree Council. You can then add additional families to your counts once reserved for a specific weekend.*

Some packs may choose to attend more than one weekend if you have a very large group or not all can attend the same weekend. If just a few can attend- sign up and we will place you in a campsite with other small groups! If you have families that want to camp together- check out our Family Camp!

**Health Forms:** All adults and youth attending a FunPack Weekend must have a completed Class 1 Medical form on file. The Health Form includes emergency phone numbers, parental/guardian permission to treat and a health history. It does not require a doctor's physical.

**PTC Refund Policy:** Individuals or groups that cancel a program reservation 30 days prior to the date of the event will receive a refund of fees paid less a 15% administrative charge. No refunds will be made after the 30 day cancellation period.

**Physically Challenged Information:** If you have any needs that require special attention, auxiliary aids or any reasonable accommodations, please let us know at least two weeks prior to your arrival at camp.

**Medical Supervision:** Medical Supervision at camp is under the direction of a licensed physician. Parents are responsible for handling and administering personal medications during a FunPack Weekend. A health officer is on duty at all times to handle minor injuries. If the injury or illness is serious, the person will be transported by ambulance to a local health care facility.
